Founded in 1639. Guilford has a small, historic, charming atmosphere which is highlighted by its rustic character and individuality. Unique characteristics include the Town Green with tree lined abutting streets that boast the third largest collection of historical homes in New England, dwellings from the 17th, 18th and 19th centuries. Enjoy the numerous boutique shops, antique markets and art galleries that also surround the Green as well as the historical museums that display Guilford’s heritage.
