North Haven is steeped in history and our citizens have a true sense of spirit, service and civic pride in their community. We all strive to make North Haven a vibrant place to live, work and visit. We are a unique blend of small town living, great schools, retail establishments, restaurants, shopping and services. We continue to focus on our mission to promote our economic growth and minimize the tax burden for our residents. Our goal of targeting new economic opportunities in all areas will continue to strengthen our town financially while bringing more employment opportunities to the area. We remain committed and strong with a bright future here in North Haven.
